

ENDING OF FROZEN ROAD DECLARATION

The Wisconsin Department of Transportation (WisDOT) pursuant to Section 348.175, Wisconsin Statutes, ENDS the Frozen Road Declaration as of Monday, March 17, 2003 at 12:01 a.m. STATEWIDE.

(This notice extends the Frozen Road period from the previously published date of March 10, 2003)

Current road conditions and long-range weather forecasts for normal to below normal temperatures means that the subsurface below state highways will stay frozen and heavier loads of specific commodities can be allowed.

This declaration is for all highways on the State Trunk Highway System ONLY. (This includes all State and US numbered highways statewide BUT not including any Interstate highways except that portion of IH 39 from the IH 90/94 interchange near Portage to the north and not including any state trunk highways where special weight restrictions have been imposed)

More information on the Frozen Road Declaration and seasonal weight restrictions is available on the WisDOT Internet web site.
